

The April 11 MUNCO Spring Luncheon had a terrific turnout of 57 CO's and guests.

The guest speaker Mr. David Kurasz, Executive Director of the NJ Fire Sprinkler Advisory Board spoke regarding the New Townhouse Fire Sprinkler Regulations.

As usual there was some enlightened conversation regarding current code topics. If you want to be part of the conversation **JOIN MUNCO** and attend our meetings.

See you at the NJ Building Safety Conference May 8, 9 & 10.
