

PART TIME BUILDING Inspector with an ELECTRICAL Inspector license. Piscataway Township. Up to twenty five hours per week is needed to assist with overflow inspection responsibilities in this fast paced, busy jurisdiction enforcing the Uniform Construction Code NJAC 5:23. The successful qualified candidate will possess both licenses. Possession of additional licenses (fire, plumbing, etc.) a plus. Knowledge of computers, good customer skills and an understanding of the SDL inspection software will be necessary. Paid holidays, township vehicle and starting hourly rate of forty nine dollars per hour is part of the compensation package that may be afforded to the successful candidate. Submit cover letter, resume, and salary requirements to: Township of Piscataway, Construction Official, 455 Hoes Lane, Piscataway, NJ 08854 or email to jhoff@piscatawaynj.org. The Township of Piscataway is an EOE.
